What is the title and subtitle of the book?

The title of the book is: “The Gospel Truth: Messages of Modern Miracles ”

The subtitle of the book is: Inspiring, Motivating, Transforming

How many pages/words should I write?

Each co-author will write one full chapter consisting of approximately five to seven (5-7) book pages (at most)...approximately 1,600 words (5 book pages)-2,220 words (7 book pages).

What is the layout of the book?

Each co-author will have his/her bio, picture, and contact information printed at the beginning of the chapter and will have their name listed on the back cover.

What is the overall goal of the book?

The goal of this project is to provide all of us with a book each co-author can make available to his/her clients/team members prior to or after appearances. Our collective reputations will be further enhanced and more importantly, our ability to provide a valuable resource. The book will appeal to any audience as many of us speak for college students, teenagers, associations, faculty, administrators, non-profits, community groups, corporations, etc.

What is the theme?

The intent is to have a central theme of inspiration and success that runs through the book. The title will help to convey that approach. The general concept of the book is that of combining our various perspectives on success as they pertain to various topics. Your chapter would address your topic with your original ideas, theories, perspectives, experiences, stories, and so on.

What should be written in my chapter?

Write on a topic that interests you. The information in your chapter should motivate, inspire, and empower readers while providing them with ideas and strategies that will help them to achieve more personal and/or professional success. Feel free to use stories, humor, analogies, and strategies for achievement. **Hint: You may pull a chapter or parts of a chapter from one of your previously written self-published books. Placing this information in this book will give the reader a “taste” of what they kind find in your other book(s) and will entice them to purchase your other products. You can also use an article that you may have already written for your chapter. These are just two simple ways to have your chapter completed immediately.**

How will chapter editing, cover design, chapter layout, and book printing be handled?

Everything from A to Z will be handled by Kerry and his team of professionals. All you have to do is write or submit your chapter, along with your information and high-resolution photo, and leave the rest to us! The editing, layout, and cover design will all be done by top professionals. Everything about this book will be first class. Kerry realizes the importance of a great cover as much as anybody. It is very important to have an eye-catching cover as studies consistently show the cover and the title are the primary reasons why books are purchased. Kerry will oversee the entire printing process of all the books. The finished product will be 6x9” with a very nice, high glossy, laminated cover. Each co-author will have his/her copies shipped to the address he/she provides. Each co-author will only be charged actual shipping costs for the delivery of their books. After

the initial print run, co-authors will simply contact Kerry for re-orders. All of the details will be taken care of. Re-orders will be \$2.50 per book (plus shipping) with a 500-book minimum. Anytime a re-order is going to be placed all co-authors will be checked with prior to the order being placed.

What are the benefits of participating in the book?

There are four main benefits to participating:

1. Convenience

All work will be done for you! You don't have to spend months and sometimes years trying to write your own book and get it published. You will have all of the benefits of being a published author within 120-180 days. It could even be sooner than that **assuming each co-author meets the deadlines**. All editing, typesetting, cover creation, printing, and shipping will be handled for you. You only need to complete your chapter and supply your bio and photo.

2. Credibility

Each co-author will be regarded as an authority because of his/her inclusion. You will be a co-author of this book with the likes of Kerry Douglas, another big-name celebrity author. In addition you will be an official author upon completion of this book.

3. Exposure

Each co-author will receive 20 times the exposure from all of us promoting and selling the book. Many people will read your chapter, bio and contact information and will be able to contact you directly to schedule you for speaking engagements, consulting, and to order your products.

(Something to consider)

If all 20 speakers performed only 25 speaking engagements (some of us perform many more so your exposure could be even higher) to an average audience size of only 200 attendees, **your information could reach 100,000 people! That's amazing and a tremendous benefit! You could not reach that amount of people on your own.**

Consider this: Utilizing your own speaking schedule, *your information would only reach 5,000 people.* (25 talks X 200 attendees). This book will offer you a tremendous amount of exposure to thousands of people you may not otherwise be able to reach!

4. Income

You will have a quality book to sell after your presentations, pre-sale in large quantities prior to each speaking engagement, sell via your web site or direct mail to your current customers. If you performed only 25 speaking engagements and sold only 20 books at each talk at a rate of \$20 per book, your gross profit would be almost \$2,500!

Participating in this book is a no-brainer unless YOU don't like making this kind of EXTRA MONEY! (it is extra money because it is in addition to what you are being paid to speak.)

When you sell your 250 copies (at \$20 per book), you will Gross \$5,000!!! Your net profit is \$2,500!!! (\$5,000 Gross - \$2,497 investment = \$2,500 PROFIT!!!)

How will the book be marketed and sold?

Each co-author will receive 250 books and is responsible for the marketing and distribution of their own book sales. **However, Kerry, who is one of the best, will TEACH YOU how to sell TONS of books. The book will also be featured in Kerry's national magazine The Gospel Truth and his regional news publications as well.**

What are the costs for each participating co-author?

*This price INCLUDES ALL BOOK PRODUCTION EXPENSES (Cover Design, Editing, Layout, Printing)
The cost is only \$2,497 plus shipping for each co-author. (See order form for the Three Special Payment Options)

Yes, ...This is too good to pass up. I want to be included in the book *The Gospel Truth: Messages of Modern Miracles* and promise to meet all deadlines associated with my chapter... **I understand that I'll receive 250 copies of the finished book.**

From: Kerry
March 22, 2008

I'm concerned, no make that worried, that you don't realize how much being a published author can change your life regardless of your occupation. _If you're like most people who want to write a book, you have a great idea but you just don't know what to do and how to bring it to life.

You can only imagine what it felt like the day I had my first copy in my hands. My heart was racing and pounding as the Fed Ex truck pulled up and the delivery man ran up to my door and handed me an overnight envelope containing my first copy of my book "Dream Big, Win Big!". I ripped open the envelope and couldn't believe I had my first copy in my hands only 87 days after I started writing! What an awesome feeling, I'm now a published author!

Because I'm Here To Tell You What Nobody Tells You About Writing And Publishing Your Own Book:

You don't have to be college educated or have any previous writing experience, it doesn't have to take two years to get it done, and most importantly, you don't have to drain your life savings.

It's my job to care... In fact it's much more than a job. It's a lifelong calling—a passionate commitment to help you live a lifestyle better than you ever thought possible.

I've been called the "Mentor to the Masses" because of the extraordinary help I've given individuals just like you to become published authors and reach their dreams!

One of the benefits of being recognized in your field as a published author is getting to speak about your book. In fact, because I'm a published author I've had the opportunity to travel all over speaking and I've shared the stage with legends like Zig Ziglar and Les Brown. Trust me, a company is not going to shell out those kind of dollars unless I can deliver.

I travel the world speaking, teaching and training people just like you the shortcuts to achieving success. In fact, my original book Dream Big, Win Big! is being purchased almost daily from individuals all over the world.

The "How To Write A Book In 87 Days Or Less" program can turbo-charge your business and your life regardless of what you do for a living or what kind of book you want to write. This new system has been called "How To Write A Book on STEROIDS."
